

STATION 2 – iPad

NATIONAL GEOGRAPHIC – 7 BILLION

According to the United Nations,
the world's population is projected to pass
SEVEN BILLION on October 31, 2011!

Use the 7 Billion App on the iPads
to explore what that number
means for our world

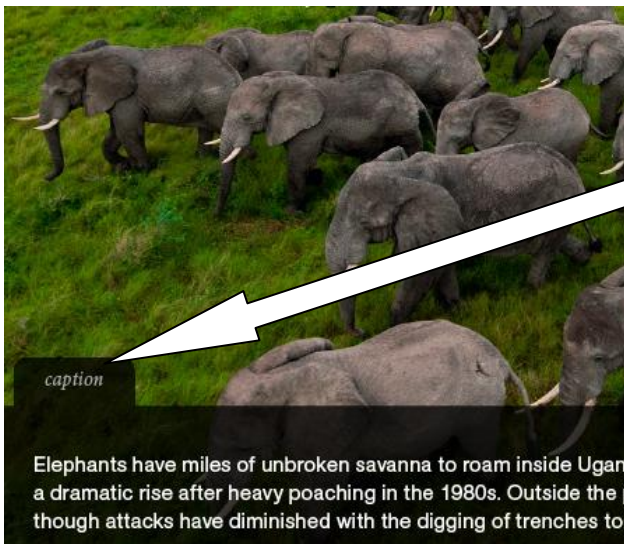

Directions:

- Tap the center of the screen in order to access the menu options in the top left corner
- Click on the List View

- Scroll down the list and find the section called Enter the Anthropocene (Starts with “Age of Man” to “Rift in Paradise”)
- Choose one of the topics in this section

- Read the introduction information and scroll through the pictures. Each picture has a “caption” to click on to access more information

**Complete the handout
questions for Station 2**

**Explore as many of the sections from
the 7Billion app during the time you
have at this station.**
